As we get closer to ending our seasons between travel and intramural, I want to say thanks to everyone involved. It was another great fall season and we did have some obstacles and weather to overcome, in the end I believe it was a successful one. As many of you know and I have spoken on this before. During the off-season the Board will be meeting many times to try and improve and/or change certain things that are in place along with building and growing our relationships with the 2 new professional teams and the local teams. If you ever have any questions and/or comments please feel free to contact me. Also please visit our web site at www.ridleyunitedsoccer.org for any updates and such.

U12 Boys Young Guns have gotten off to a great start this season with a 4-1 record. Young Guns attended the White Water Challenge tournament and was placed in a U13 boys bracket and still managed to come away with a 2nd place finish out of 6 teams. We are extremely proud of these boys. They represent our club with pride by showing outside organizations how RUSC instills soccer skills, heart and determination in every game they play. Check out our team pictures, videos and follow our progress on our team website...www.ruscyoungguns.org

The **U11 Rhinos Girls** played in the Delco Tournament in Southern Chester County. We finished the tournament with a 1-2 record. We lost to the Southern Chester County Pride 98 team 4-1. Hailey McCurry scored for the Rhinos. We defeated the Aston Tomados 1-0 as Hailey Albertson scored the winning goal. Erin Carty got the shutout. The Rhinos lost the 3rd game and a chance to play in the finals, by a score of 3-1. Hailey Albertson scored her second goal of the tournament. The Rhinos finished in 3rd place. It was a great time, and some very good soccer. The Rhino parents once again outdid themselves by proving that we set up the best camp and tailgate around.
