~President's Message~

Thanks to all that came out to the ceremony for the lights at Catania Field. It took a lot of work and time to finally have this event happen. For those that were there I hope you enjoyed it. As the Spring season winds down please keep track of the important dates listed in this Newsletter. I want to thank Kathy Opperman for putting this newsletter together every month. Remember during the season that games cannot be called off by any coaches. Our web site will have notices for weather and also our Club's answering system will have updates. I hope you have a great finish to this season and look forward to seeing you back in the fall. We have some new thoughts and ideas that we are currently working on to make your experience a positive one for you and your child(ren). Remember to check our web site at www.ridleyunitedsoccer.org for any updates and feel free to contact me with any questions and/or concerns good or bad.

~Ridley United Travel Teams 2009~

The benefit of this program is to constantly challenge players to realize their highest potential through more intensive coaching. Socially, they develop a long-lasting bond with their teammates, coaches and parents. This program offers players with superior ability and skills more playing time with players of equal talent. Player development, team tactics and winning are stressed more in the travel program, with highly skilled players getting the most playing time

If you are interested in trying out got to www.ridleyunitedsoccer.org click on the travel program link to determine your age bracket and then **call the appropriate coach listed**, with your name, birth date and phone number. Coaches will choose their tryout dates between May 3rd and the 17th.

Once accepted to a team, the cost is \$100 for registration, and you must participate in the \$25 per family fundraiser. You must also purchase a club uniform if you do not already have one. Travel players also enjoy the benefits of our Family Day event and attend our year end banquet free of charge.
